

# Summer Research at Tsinghua University

## PROGRAM HIGHLIGHTS

- Welcome Reception & Campus Tour
- On-Campus, Dormitory-Style Accommodations
- 6 weeks over the summer
  - (July 1 - August 11, 2024)
- Stipend for visa, airfare, housing, and living expenses
- 30 Hours per week in research lab

## ABOUT THE PROGRAM

The Tsinghua Undergraduate Research Program allows Viterbi students to participate in research with faculty on-campus for the summer at Tsinghua University in Beijing, China. Students are assigned to a lab and work 30 hours a week doing hands on research. During the program, students will gain exposure to China and Chinese culture with opportunities to learn more about the country, culture and research approaches.
